

Dear Parents,

Floods have affected the different districts in Assam and over 14,000 households in Manipur, leaving lakhs of people homeless.

People have lost not only their homes but also their agricultural produce, personal valuables and livestock on which they depended for their livelihood. The situation continues to worsen as rivers flow above the danger mark.

In view of this grim situation and the urgent need for critical relief, we request you to donate old clothes in good condition, for the victims of the Assam floods 2017. You are requested to wash, iron and fold these clothes neatly and hand them over to the respective class teachers latest by 4th August 2017.

The smallest contribution you make can go a long way in helping someone in distress.

In the words of Loretta Scott- "We can't help everyone, but everyone can help someone."

So please do reach out.....
