

Dear Parents,

As Christmas is fast approaching, in keeping with the spirit of love, caring and sharing, we at St. Francis School (ICSE) would like to thank the Lord for what we have received. This year we will be reaching out to the street children of Gorai (Kulvem). We humbly urge our parents to wholeheartedly support this venture. The items mentioned below should be sent through your child to the class teacher who will be collecting the same from the 15th of December, 2017 to the 20th of December, 2017.

We earnestly thank you for your generosity.

God Bless You
